Rezz, the Canadian Juggalo and a member of Hip Hop group Zombie Nation, told the Daily Dot that that a series of videos in which he appears called Juggalos on the Skid Row and on the Dark Side are being used by the FBI. The pair said the videos were "obviously intended to make me look like a criminally insane serial killer." The pair also stated that at one point in the videos Juggalos came close to committing "Suicide by Juggalo". In another section of the videos they recount the death of a group of Juggalos: They were all killed when a car crashed into a concert venue, crushing a number of them to death. "We were there last night," they said. "I would have died with them." "I'm not a serial killer, but I think I'm being held responsible for their deaths," Rezz said. "I'm innocent of this." Juggalo a.k.a. Rezz told the Daily Dot he can't prove he didn't kill anyone on April 29th or June 30th, but that the Bureau of Criminal Investigation (BCI) wants him to confess: "I wasn't even at the concert on April 29th, and I wasn't even at the one on June 30th. So they were two separate incidents." The pair claims the BCI have a loaded gun and "they know I'm not a serial killer. So they have no reason to hold me in jail." Rezz
